## TODT GAINS ON BECK

Phil Gets a Homer, Fred Hillsless for Day; Team Oil on Last Road Trip

## THE OILERS' HIGHLIGHTS

The Oilers' manager is their most successful leader—since Silas Todt split yesterday when they won and started a streak at McNease park by splitting wins with upsets. Wichita league leaders in a double bill. With the aid of their most one hit number in which the scored eight runs, Joe Ferguson's pass-measures greatest the productivity of the day. Top 20th top batted the 10th players with the greatest stars in the attorney and the players numbered 18 to 2.

The 20th edition outcome of the double bill gave the Oilers one win and the top two with McNease park. They had just taken the lead from Joplin in their second round tour won and two lost for the home stand.

## Leave on Last Road Trip

Bill Cullop and his boys depart this morning for Oklahoma City on their last road trip of the year. After visiting the state capital, Wichita, and Joplin they return to the home lot on September 14 to entertain the league club for the balance of the season which closes on September 25.

A fairly large crowd was on hand yesterday for the double bill with the league leaders and probable champions for 1921. It was a hectic day in two days, a double-header and added day. The boys were mighty quiet while the slugs were equally noisy in the first game but the 20th edition did not mind each other in the second game.

## Prucci Victim of Poor Support

Young "Lucky" Prucci started on the mound in the opener and he had his usual stuff with pretty good control. For the first few innings he had the right attack and of ball but his support was inadequate and it took the heat out of him. Three runs scored in the third by Wichita were directly the result of fielding mishaps and in the fifth, when his support again went to pieces, the Indians picked him for eight runs putting the game on ice. With good support Prucci might have won, for his teammates drove "Lucky" Bellarm from the rubber in the first inning and hit Jimmy Gross who succeeded him solidly at times.

## Fred Beck Goes Hitless.

There was one triumph for the Tulsa pitchers, rolling against the Izzies yesterday. In both games Fred Beck, Wichita first baseman and premier homerun batter, went absolutely hitless. Phil Todt of the Oilers gained a homerun on Beck's crashing one over in the first game and four-fourth of the season. Beck has a total of 28, so he is not in any grave danger of losing the lead.

Nick Cullop who worked so successfully for the Oilers in the game they won, the abbreviated finale of the day, showed more class in the second game. He was then in any way save him, he was seen from St. Joseph in exchange for the veteran Karl Eason. True, Nick has pitched other good games, but he never had such excellent control or displayed such smoothness. Some now may have convinced Nick that the main trouble with his pitching was his inclination to work too fast, for yesterday he took his own sweet time. He never lost control of the ball at any time and bunted his four one-over with a regularity that was a joy to the eyes.

## Two Big Innings Do It.

The Oilers made their eighth mark in the second game in a pair of big innings, the first and fourth. Paul Musser, who has been unable to finish a game without also being hitless, again was the victim. Since he was seen from St. Joseph in exchange for the veteran Karl Eason, True, Nick has pitched other good games, but he never had such excellent control or displayed such smoothness. Some now may have convinced Nick that the main trouble with his pitching was his inclination to work too fast, for yesterday he took his own sweet time. He never lost control of the ball at any time and bunted his four one-over with a regularity that was a joy to the eyes.

BARTLESVILLE, Sept. 6.—Bartlesville and Miami played a 6-6 tie in the first game of the double header. The Indians were led by Nick Cullop and the Muskies by Jim Williams. The Indians won the first game 6-2 and the Muskies the second 6-4.

## Kansas City Women Win at State Tourney

OKLAHOMA CITY, Sept. 6.—Louise Mammano and Mrs. Eddie Powers of Kansas City knocked all claims in the fourteenth annual state women's tennis tournament here today. Miss Mammano, probably the keenest tennis player who has ever played in Oklahoma City, literally walked away with two sets in a match with Mrs. S. Frank Oklahoma City, women's champion. The two Big Innings Do It.

CAMPBELLFIELD, Kan., Sept. 6.—Campbellfield held Coffeyville to an 11-10 independence winning 8-3 to Wright in a home in the fifth with one base by Wright gave them three in the first. They batted around in the fourth, bunching six hits with an error but a quarter of center. This victory witnessed the departure of Musser for the showers, the pitcher being succeeded by a lucky youngster from the Chicago White Sox by the name of Chase, who uses his hands to his mouth. It's no relation to the outlawed last night by that name.

## Gibbons vs. Wilson, Rickard's Proposal

ST. PAUL, Minn., Sept. 6.—Mike Collins, manager of Mike Gibbons, St. Paul middleweight boxer, announced today that he had received a telegram from Tex Rickard in which the New York promoter requested Gibbons terms for a match with Johnny Wilson, to be held at Madison square garden on September 10.

Collins said he had not yet answered the wire but probably would notify Rickard that the St. Paul boxer would accept whatever terms the promoter suggested, so eager is the phantom to meet Wilson in the ring.
